

Eanes ISD iPad Optional Insurance Coverage 2016-2017 School Year

Eanes ISD uses Instructional Technology as one way of enhancing the mission to prepare and inspire all students for life-long success by teaching the skills, knowledge and behaviors students will need as responsible citizens in the global community. In an effort to increase access to those 21st century skills, EISD has made it a goal to offer students 24/7 accessibility to their learning.
